All of our CofE primary schools have booked to attend one of 5 services at Durham Cathedral between 9–11 June - over 1800 Year 6s and their teachers will be attending! This is an exciting and important opportunity to:

- Invest in the lives of Year 6 pupils at a crucial transition point
- Build and deepen relationships with local schools
- Encourage ongoing connection with church life beyond primary school

We warmly invite you and your church communities to:

- Pray intentionally for each school and parish involved
- Volunteer at the services

Let's come together to support and pray for this generation as they prepare to transition from primary to secondary school.
