

Location

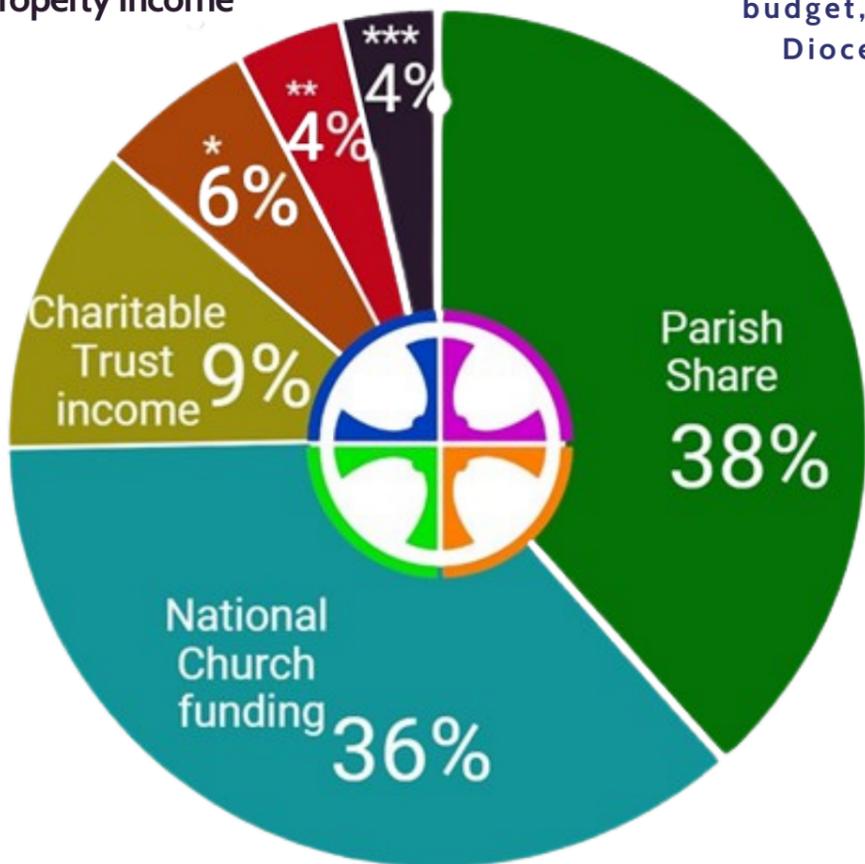

The Diocese of Durham covers a geographical area of **977 square miles** and the **209 parishes** within that space serve a population of nearly **1.5 million people**.

Parish Share

Parish Share is the single largest source of Diocesan income, but, more than this, it helps each one of us to fulfil our calling to reflect God's own abundant generosity. Parish Share resources mission and ministry not just in our own parish but by helping our neighbours across the Diocese. This means together we're able to bless our communities in Jesus' name from the Tyne to the Tees and from the Dales to the Sea.
