## Statement of Significance and Needs:

The church of Westgate St Andrew was closed for worship 5<sup>th</sup> February 2024 through a scheme made by the Church Commissioners under the Mission and Pastoral Measure 2011. Following a marketing process, a pastoral (disposal) scheme is to be drafted by the Church Commissioners and put up for public consultation, proposing the closed church and parts of its consecrated churchyard burial ground, to be appropriated for residential use as a single family residential dwelling. Planning permission will need to be secured for this proposed change of use and a sensitive development is currently being designed and drafted.

This petition seeks to ensure church contents which hold local or even regional significance have their future secured and are found an appropriate new home, prior to the disposal of the closed church. The items to be removed are described by the CBC report (PM 2588) as having low or low-to-moderate significance. Items marked with an asterisk\* are already relocated for safe keeping under the Mission & Pastoral Measure 2011.

## The Closed Church:

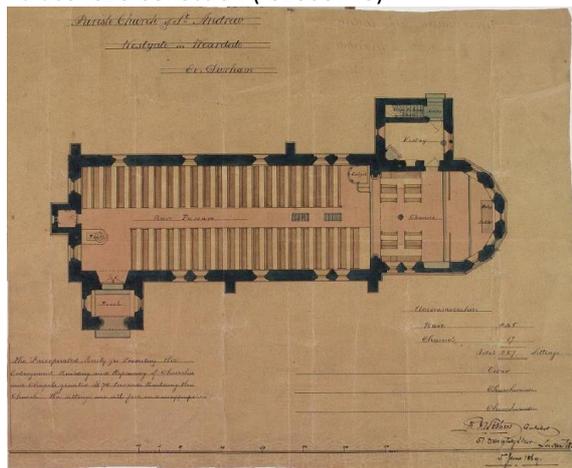

The closed church of St Andrew's is **unlisted** but lies in a designated conservation area (Westgate Conservation Area) within the Northern Pennines Area of Outstanding Natural Beauty. [[Photographs here.](#)]

### Church Description (CBC Report PM 2588):

*"Parish church, created c1869 from part of the parish of Stanhope, St Thomas. Aisleless nave with W bell turret and S porch, apsidal chancel and N vestry; by Robert Jewell Withers, 1869. Sandstone with slate roofs. A vigorous and assured design, scarcely altered since completed in 1869 as part of the campaign to plant new parish churches all the way along upper Weardale... of moderate significance overall..."*

Plan signed by R J Withers, 5 June 1869; from Lambeth Palace ICBS Collection (ICBS06740):

## The Disposal Scheme for residential use:

With the Church Commissioners, Durham DBF has taken professional advice of agents in marketing the property and accepting offer of purchase for conversion to residential use (single family dwelling house).
